Technical data sheet

ADLER
Paint runs through our veins.

ADLER Clean-Möbelpflege Plus 7222000210

Maintenance product for furniture surfaces for **DIY, industrial and professional use**

PRODUCT DESCRIPTION

General

Water-based furniture care for very matt to semi-glossy (G 90) coatings, pigment coating surfaces, but not for high-gloss surfaces. Gently removes dust and dirt without clogging the wood pores, has a water-repellent effect and gives the furniture surface protection against dirt. The gloss or matt finish of the furniture surface is maintained.

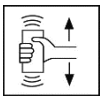
Application areas

- For cleaning and maintaining of coated furniture surfaces.
- Repeat the maintenance every six months to annually.
- When carring out a repair coating, clean and sand thoroughly the surface to be repaired with ADLER Clean Möbelreiniger 96490.

Please observe our "**Working guidelines for varnished high gloss furniture surfaces**".

PROCESSING

Instructions for use



- Please shake the product before use.
- The product is ready to use.
- **Larger surfaces:** Apply thinly with a spray bottle and wipe with the cloth included in the set.
- **Smaller surfaces:** Spray ADLER Clean-Möbelpflege Plus 7222 000210 directly onto the cloth contained in the set, apply and wipe over.
- Avoid intensive rubbing on the surface and do not repolish. In case of damaged wood surfaces or if cleaning agents containing solvents (teak oil etc.) have already been used several times, check suitability to prevent damage.

Application technique

Application method	Spraying	Wiping
Yield	Bottle capacity for approx. 10 m²	

The shape, the properties and moisture of the substrate affect the consumption/yield.

Our instructions for use are based on knowledge available currently and shall guide the buyer/user to the best of one's knowledge, but, however, must be clarified for the areas of application and processing conditions on a case-to-case basis. The buyer/user takes responsibility for the suitability and use of the delivered product. It is therefore recommended to produce a sample specimen for testing the suitability of the product. Our general terms and conditions of sale are otherwise applicable. All previous data sheets are rendered invalid with the issue of this one. Rights reserved for the modification of the container sizes, colour shades and degrees of gloss available.
